Hello fellow defenders and responsibly armed Americans:

I'm Don Woolett. I'm a minister, author, Christian family songwriter & publisher, and strong advocate for family protection in these troubled times. I'm also an affiliate of the **USCCA: United States Concealed Carry Association**. The **USCCA** is the first and largest association dedicated to educating, training and insuring responsibly armed Americans. With over 285,000 members and subscribers, the **USCCA** is your all-in-one resource for home defense and personal preparedness.

Although the deck is stacked against you as a responsibly armed American, the good news is, there is something you can do about it. With **USCCA** membership, you can protect yourself and your family from disastrous legal consequences. The **USCCA** has your back!

Acts of self-defense can lead to civil lawsuits, criminal charges, and jail time--*even if you did the right thing*. and **doing the right thing shouldn't cost you everything**.

After you've been forced to defend yourself and your family from a dangerous thug, violent home invader or perpetrator, you'll be forced to defend your actions again...in court! Don't go it alone. Add a **USCCA membership** to your arsenal to guarantee **you'll have the legal defense and deep pockets you need to prevail...**

Check out my website for testimonies of people *just like you* who were thankful they had a **USCCA** membership. Discover the many benefits of becoming a **USCCA** member. You'll not regret it.
